

# COMMUTER ALERT

08 -171

**Date:** Wednesday, May 21, 2008  
**District:** 8 - San Bernardino County  
**Contact:** Darin Cooke  
**Phone:** (909) 383-4631  
(909) 383-6799

## **ROAD WORK TO BEGIN ON STATE ROUTE 138**

**San Bernardino** – Caltrans will begin construction on a 25-day project on State Route 138 between Interstate 15 and State Route 173. The project is set to begin the first week of June and will be complete by the end of the month. The project will consist of placing a chip seal on the existing pavement and new striping. This will provide an improved riding surface, better visibility and extend the life of the pavement.

The work hours are Monday through Thursday from 7:00 a.m. to 5:00 p.m. Lane closures will be necessary throughout the project. A pilot car will be utilized for one way traffic control. Traffic control will span a 3-mile segment at a time. [Shorter traffic control areas will be in place to minimize congestion during peak commute hours.](#) Please be aware of Flaggers and drive safely through the construction zone. Traffic impacts are expected to be minimal.

This “Alert” will continue to be updated with new information for the duration of the project. For your convenience you may sign up for automatic notification of this alert by visiting our website at [www.caltrans8.info](http://www.caltrans8.info) and go to “CT Connect” or News and Document Center.

Caltrans would like to thank motorists for their continued patience during the State Route 138 construction. Caltrans maintenance is working to keep our roads in good driving condition. We ask that motorists please be aware of the construction area and always make a point to ***SLOW FOR THE CONE ZONE.***
